INFORMATION BULLETIN

- Just a reminder to keep all vehicles, homes, and outbuildings locked. We may trust our neighbors, but can we always trust the stranger that finds their way into the village. **DON'T** be a “soft target” for criminal activity.
 - It is important to remember to call in any type of suspicious activity. With the recent string of thefts we have had some incidents that have not been called in when they happen. The sooner the activity gets called in the sooner we can get officers in the area and hopefully get this problem to stop. The number to call is **920-391-7450**. If it's an emergency always dial 911.
 - The village will be getting a voicemail set up on the phone line in the DEO office. If we are not available please leave a message and one of us will get in touch as soon as we can. We will be checking the voicemail throughout our shift.
 - If there are any drug issues that you notice throughout the village and you would like to report them please call the **Brown County Drug Task Force tip line: 920-437-DRUG(3784)**. The tips that come in from the village will get sent and viewed by both DEOs. We can then follow up on the tips.
 - <http://www.familywatchdog.us/>
 - <http://doc.wi.gov/community-resources/wi-sex-offender-registry>
- If anyone has a police matter that isn't an emergency but you would like an officer to come out please use the non-emergency number: 920-391-7450. This is the easiest way to either get the Denmark DEOs or if they are not available you will get an available county officer. This also helps the Denmark DEOs track the type of calls and call volume. This is what we use to make our plans on how to patrol the village. If there is an emergency that needs law enforcement action please call 911.**
