DEO'S IN DENMARK

- Our "Buckle Up Brown" seatbelt project around the high school was a great success. A huge thanks goes out to all the student volunteers from the high school. There's no way the project could've happened without all the help. We also want to thank those driver's out there who chose to make the change to wear your seatbelt. For those of you that were already wearing your seatbelt keep up the good work and we commend you for choosing safety while driving.
- The rummage sale went off without a hitch on our end. This year we didn't have any parking complaints or accidents that came in. We hope everyone's sales were successful. Thanks to everyone who participated in this year's sale as either shopper or a seller.
- During the month of May DEOs assisted county patrol with 16 calls outside of the village.

INFORMATION BULLETIN

- The weather is finally getting nicer out so get out there and enjoy it. Just make sure you are safe while you are outside. Remember hydration and sunscreen on the hot sunny days.
- There are also a lot more people out walking, running, and biking with the nice weather. If you are driving please be aware of the non-motorized commuters. Remember that pedestrians have the right of way while in crosswalks and that means marked and unmarked. Please make sure you share the roadways with bicycles, they have the right to be there just like vehicles do. For those of you walking please make sure you are crossing streets at the crosswalks since this is the safest place to cross. If you must cross mid block or in an area where there isn't a crosswalk you are legally allowed to in the state of Wisconsin but we ask that you make sure you are looking both ways for traffic before crossing. The preferred area is always a crosswalk. If you must walk on the road please make sure that you are walking on the left side of the roadway (against the flow of traffic). If you are biking and over the age of 12 please use the roadway as vehicles are classified in Wisconsin as vehicles. Younger riders are still allowed to ride on the sidewalk and should use caution when approaching or passing pedestrians.
- IRS scams are still going around so please be aware of anything you think is a scam. A big thing to remember is that the IRS is going to use the postal service if there is going to be any contact. If you receive a call that you feel is a possible scam **don't** give out any information and report the incident by calling **920-391-7450**
- Just a reminder to keep all vehicles, homes, and outbuildings locked. We may trust our neighbors, but can we always trust the stranger that finds their way into the village. **DON'T** be a "soft target" for criminal activity.
- It is important to remember to call in any type of suspicious activity. With the recent string of thefts we have had some incidents that have not been called in when they happen. The sooner the activity gets called in the sooner we can get officers in the area and hopefully get this problem to stop. The number to call is **920-391-7450**. If it's an emergency always dial 911.
- The voicemail in the DEO office is now set up. We will be checking the voicemail throughout our shift. If you need an officer to come out please continue to use the non-emergency number listed above or below or 911 for an emergency.
- If there are any drug issues that you notice throughout the village and you would like to report them please call the **Brown County Drug Task Force tip line: 920-437-DRUG(3784)**. The tips that come in from the village will get sent and viewed by both DEOs. We can then follow up on the tips.

- **If anyone has a police matter that isn't an emergency but you would like an officer to come out please use the non-emergency number: 920-391-7450. This is the easiest way to either get the Denmark DEOs or if they are not available you will get an available county officer. This also helps the Denmark DEOs track the type of calls and call volume. This is what we use to make our plans on how to patrol the village. If there is an emergency that needs law enforcement action please call 911.**

Everyone stay safe and have a great month

DEO Jonathon Dzekute
