**STORM WATER MANAGEMENT MEETING
MONDAY, AUGUST 8, 2016
5:00 P.M., DENMARK VILLAGE HALL**

CALL TO ORDER/ROLL CALL

Chairperson Mleziva called the meeting to order at 5:00 p.m. at the Village Hall, 118 East Main Street, Denmark, WI 54208

Present: Milton Bielinski, John Goral, Gregg Mleziva

Josh Leiterman arrived at 5:05 p.m.

OFFICIALS/STAFF PRESENT

Clerk, Sherri Konkol, Treasurer, Kim Cooke, Director of Public Works, Eika Sisel

COMMITTEE DISCUSSION/ACTION ON FORMALIZING POLICY AS IT RELATES TO STORM WATER RUN-OFF ISSUES

Chairperson Mleziva explained that because of storm water run-off problems, the Village needs to establish a policy regarding storm sewer lateral repair responsibility.

Sisel provided the Committee with policies from other municipalities.

Discussion

- Residents are wanting the Village to pay for storm water run-off issues
- How is it determined whether the Village pays for it or the resident pays for it

Mleziva/Bielinski moved that all storm water pipes located in the Village's right of way will be maintained by the Village, which includes mains and minis, but does not include laterals or the lateral connections. The Village of Denmark will only repair, replace or rehabilitate storm sewers on private property if the Village installed the pipe and there is a documented easement. Motion carried.

COMMITTEE DISCUSSION/ACTION ON REVIEWING AND POTENTIALLY ADJUSTING STORM WATER RATES

This item was tabled to gather further information for a future meeting.

ADJOURN

Goral/Leiterman moved to adjourn at 6:10 p.m. Motion carried.
